Relationships, The Cosmic Glue, It's Sticky Stuff!

Every relationship we have on this earth plane has the potential to become a heavenly encounter. Your mother, father, sisters, brothers, children, co-workers, lovers, husbands and wives, are not in your life by accident. We are all like Jacob in the Bible wrestling with the angel until we receive its blessing. We keep encountering each other again and again in all different forms and circumstances until we see each other as the Holy Sons and Daughters of God that we are.

"When you meet anyone, remember it is a holy encounter. As you see him you will see yourself. As you treat him you will treat yourself. As you think of him you think of yourself. Never forget this, for in him you will find yourself or lose yourself." (ACIM Text P.132)

As the weather gets warmer outside we will turn up the inner heat and fire within our bellies and take a direct look at our relationships with others who share this planet with us. We will be using John Welshon's book, "One Soul, One Love, One Heart" as our guide to The Sacred Path of healing that is offered to us through all our relationships. (The book is available at the church for \$14.)

When people ask Maureen and me how we have stayed together for almost forty years and still have such love, passion and compassion for each other, we point to the teachings we are about to engage in during these next few months. We have died and been reborn within this one relationship at least seven times. Without these teachings we would never have "stuck together" as long as we have. Divine Grace is the Cosmic Glue that has allowed us to keep falling in love with each other over and over again.

Through our Sunday services and Wednesday night classes we will use all of our relationships to see the Light, free the Light, and be the Light. You will not want to miss one Sunday lesson or Wednesday class in this series.

*"The best form in which to worship
God is every form."*

Richard and Maureen

- Help is needed during the first week of May pricing and setting up for the yard sale.

The Garden Ministry Needs You!

Mission Statement: *To express love by growing and nurturing a garden where we can experience God in nature.*

We welcome George Dick as our new Team Leader of the Garden Ministry.

Turn a moment of grace into an hour of grace.....

The Garden of Eden that surrounds our sanctuary is in serious need of love and attention. If it does not get some soon, we may be walking through what looks like the Jungles of Brazil. Just an hour a week from a few will make so much difference. Keeping it a place for our children to safely play and people to commune, meditate and picnic, even. Join us today. Please sign the sign-up sheet in the lobby or use contact information below with the hour(s), day(s), and week(s) you are able to donate your time .

Remember.....

"WE CANNOT DO GREAT THINGS ON THIS EARTH. WE CAN ONLY DO SMALL THINGS WITH GREAT LOVE."
MOTHER TERESA

***A Course in Miracles
Fridays and Sundays***

A Course In Miracles teaches a thought system – a way of seeing and understanding—based on love and oneness with Spirit and with each other, as contrasted with the thought system the world teaches which is based on fear and separation. The Course shows how our human (or ego) minds resist these ideas because of our attachment to our separate bodies.

One group meets on Sundays 7:00-8:30 p.m. in the parlor. A second group meets on Fridays from 11:00—Noon in the Uniteen room in the Children's area. We read the text together and discuss the material. We welcome you to visit to see if this is for you. The book also includes a workbook section made up of daily lessons. For information, contact Penelope Morningstar at 791-7200 (Sunday group) and John Geiger 686-2091 (Friday group).

**Drum Circle
Saturday Mornings
10:00—11:30 a.m. at Unity**

Bring your drum and join others and learn cool rhythms. A love offering will be accepted. For more information, contact Jess Watson at 328-2528.

Planned Giving

Giving is a way to express our greatest blessings, as well as our values. It demonstrates the principle of flow in our lives because we know that as we give, we also receive. There are many ways you can share God's abundance with your church. There are a variety of ways to make a planned gift: a bequest in your will, giving cash, specific property, or a share of the remainder; a gift of real estate; a beneficiary of a life insurance policy or a charitable gift annuity.

Planned gifts may have positive financial impact on your estate! Ask your professional financial advisors about the methods of giving most advantageous for you.

**FRIDAY MORNING BOOK STUDY
Busting Loose From the Money Game

Project Recap for March and April

Galilee By the Sea Work Days—Many volunteers came out to lend a hand and much was accomplished! Dianna Bridi led a team that provided lunch for all the workers. However, there is still much to be done and another work day is set for May. Thanks for your support!

Relay for Life, April 15-16 The American Cancer Society Relay for Life gives everyone in communities across the globe a chance to celebrate the lives of people who have battled cancer and fight back against the disease. At Relay, teams of people camp out and take turns walking or running around a track. This year 149 teams participated and raised \$264,621—and that's just in Wilmington! Thanks to everyone who participated, and especially Donna May, the team coordinator!

Work on Wilmington, April 16 Unity's project was to paint two offices at the Good Shepherd Center and weed outside. Twelve Unitics participated in this worthwhile project. We had so many volunteers that we were finished in record time!

 we are asking you to bring in after service
 refreshments during the month of *May*. Last
 names beginning in *S-Z*, you get the month of
April. You can bring fruit, cheese and crack-
 ers, raw veggies, cookies, or whatever finger
 foods you would like to bring. (Finger foods
 are a greener option so we do not have to
 use forks and plates—which save water, pa-
 per, and clean up time too!) Many thanks!

Ink Jet Cartridge Recycling

Unity is collecting used ink cartridges of all
 kinds to recycle. A box is located in the lobby
 for these cartridges. We have raised \$286
 while being good stewards! Thanks to Liz
 Freeman for delivering these cartridges to
 the store for us.
